

IH PQI ALUMNI NEWSLETTER

PQI Alumni Network

The PQI Alumni network empowers physicians who are now experienced and knowledgeable in Quality Improvement (QI) methodologies and tools to continue to apply their skills and passions for ongoing, positive and impactful health system improvements.

Think Big. Start Small. Act Fast.

SAVE THE DATE

We are thrilled to announce the first annual IH Physician Quality Improvement Alumni Summit day on May 3, 2024. This exciting event will bring together alumni for a day filled with engaging discussions and networking opportunities.

Stay tuned for registration and more details in the coming weeks.

CALLING ALL ALUMNI: UPCOMING QI OPPORTUNITIES

QI Alumni Council

- Call for Alumni interested in becoming regional QI Leads with opportunities to further develop the IH QI Alumni Program.

Clinical Quality Reviewers

- Interior Health is actively seeking Alumni with expertise in mortality and chart reviews to enhance patient outcomes by joining their network of Clinical Quality Reviewers.

Provincial QI Mentors and Coaches Program

- Dr. Jane Lea, SSC Provincial Alums Lead Consultant with the Doctors of BC is in the process of designing and implementing the Provincial Physician Alums Consult service. This will be a peer-to-peer coaching program designed to connect experts in QI methodology with subject matter experts who are leading QI project and/or initiatives within the Doctors of BC Joint Collaborative Committees.

PERSONALIZE YOUR COMMUNICATION

As the PQI Alumni Program evolves, we will be working to keep you well informed with regular updates, opportunities and events. If there are only certain topics that you are interested in, [click here](#) to email us your request for a more personalized communication schedule. If your in-box is feeling too full and your QI work is currently on the back burner, [click here](#) to opt out.
